PARTNER SHARES DONATION

Every year, FairShare provides financial assistance to families for CSA shares through the Partner Shares Program. Across 75 cities and 31 counties, households experiencing need are able to enjoy fresh, local food all season long using Partner Shares funds. With the help of Dane County and generous community support, FairShare was able to provide financial assistance to over 1,220 individuals in 2021.

But with families still feeling the lingering impact of the pandemic, coupled with rising food prices, demand for food assistance remains high. In order to continue meeting the needs of our community, FairShare is reliant upon contributions from folks like yourself.

I want to make a donation to the Partner Shares Program (in addition to registration costs)
